

God Can Reach You There

Do you ever feel God could never get you out of the predicament you're in? Does it seem like the person you're praying for is beyond God's reach of grace and forgiveness? We all feel that way at times. When we do, we need a reminder that even though our problems are big, our God is infinitely bigger. He knows we're hurting and will be faithful to answer our cry. There's no limit to what He can do.

If you're feeling helpless and hopeless today, read these affirming words—*nothing* is beyond God's reach. Tell Him all the details, even though He already knows them, because *you* need to speak them out. Then leave them with Him. God's arms are not too short to help you through any dilemma you might face. His arms are not too short to reach the ones you love with His message. His arms are not too short to deliver you from temptation, addiction, and the cycle of sin. He has always been, is now, and always will be capable to rescue, save, direct, and provide for you—no matter what.

God was there in the PAST: Look at His record in the Bible—He has never failed; not once.

"Was my arm too short to deliver you? Do I lack the strength to rescue you?" Isaiah 50:2

God is here in the PRESENT: Listen for stories of how God is at work in the lives of believers all over the world.

Surely the arm of the LORD is not too short to save, nor his ear too dull to hear. Isaiah 59:1

God will be there in the FUTURE: If you read the end of History (His story), you know our Father has everything under control. If you believe and follow the Lord Jesus Christ, He will take care of your future.

*"Is the LORD's arm too short? Now you **will** see whether or not what I say **will** come true for you."* Numbers 11:23

Use the three prayers below as often as you wish. Fill in your details and give everything to God. He is waiting to answer your prayers and show himself mighty on your behalf.

In this circumstance: Lord, your arm is not too short for this situation: _____. You know all the details and can see the future. You know what needs to happen. I trust you in this and wait in expectation.

For the one I love: Lord, I believe your arm is not too short to reach: _____. You see their pain, hear their cries, and have the power and desire to save them. I release them to your care today and know you will never give up on them.

In trials and temptations: Father, your arm is not too short to help me in my struggle against: _____. I am powerless, but you can give me victory. Show me how you would have me respond and give me strength to do your will.
